Welcome to the Ottoman Collection 08

The Ottoman Collection is an exclusive range of exquisite 100% natural Turkish and Portuguese cotton bed linens, towels and accessories. These are beautifully presented to enhance your home.

Founder Lorna Gunn travels to Europe and America sourcing the latest designs and fashions. Only the highest quality fabrics and linens are selected. Designs must be unique and the epitome of style. Above all the Ottoman Collection is about understanding and complementing our Australasian lifestyle and homes.

One of my favourite products at the moment is the knitted cotton sheet set. After the sheets are knitted they are finished with aloe, making them incredibly soft. They retain their shape extremely well, so never need to be ironed.
