

Welcome to OTTOMAN COLLECTION, a range of bedlinens, towels and accessories like no other. Crafted in Europe from natural fibres our range of products now enhances not only stylish homes but also boutique hotels and luxury resorts the world over.

OTTOMAN COLLECTION offers a practical yet luxurious quality which is irresistible. Practical because it endures and luxurious because owning our products will give you intense pleasure everyday. Pure cotton and wool from Portugal and Turkey are the main ingredients. Style is the key.

Ottoman's founder Lorna Gunn continues to produce designs which are inspired by her passion for European "cutting edge" and her love of our natural environment. Our products are available in selected stores throughout Australia and New Zealand.

You'll love the feeling!
